

## **Gated Pipe Certification**

To Whom It May Concern:

In response to your request for Manufacturer's Certification of Compliance, please be informed that Diamond 6", 8", 10", and 12" WaterGate PVC Gated Pipe is made of compound having a cell classification of 13333 per ASTM D1784, and contains additives which give resistance to impact and weathering degradation from ultraviolet rays. The outside diameter and the 0.120 minimum wall thickness conform to the requirements of SCS 430HH. The gasket meets the requirements set forth in ASTM F477.

If we may be of further assistance in this matter, you may contact us at the Grand Island office.

Sincerely,

**DIAMOND PLASTICS CORPORATION**
